SAFE ENVIRONMENT COMPLIANCE UPDATE

Our parish is blessed with many generous volunteers who help make our ministries, programs, and liturgies possible. As we continue our commitment to providing a safe and welcoming environment for all children and vulnerable persons, we are preparing for the Diocese of Columbus' updated Safe Environment requirements.

All volunteers are asked **to be fully compliant with Protecting God's Children training and complete the required background checks by January 2, 2026.** These steps help ensure that our parish remains a place of trust, protection, and faith for every member of our community.

BACKGROUND CHECK REQUIREMENTS

To meet diocesan policy, the following background checks are required for volunteers:

- BCI (Ohio Bureau of Criminal Investigation) background check – required for all volunteers.
- FBI background check – in addition to BCI, FBI is required for volunteers who have lived outside the state of Ohio at any point in the past **five years**.

If you currently volunteer, or plan to volunteer in the future, we warmly encourage you to check that your VIRTUS account is active and up to date, and that your background checks have been completed within the required timeframes.

Please contact the parish office with any questions or for assistance completing your background check or VIRTUS requirements. Our staff is happy to help guide you through the process.

Thank you for your faithful service and continued commitment to protecting God's children.

We invite you to join us in this special devotion as we dedicate our families to the care and protection of the Holy Family.

Our parish is blessed to have numerous trained and diocesan-approved ministers who welcome the opportunity to bring the Body of Christ to those who are homebound. The sacraments of Confession and Anointing by a priest can also be arranged.

Christmas

Flower Donations

The deadline for Christmas flower donations is Monday, December 15. You are invited to donate in honor or memory of a loved one.

ST. JOHN NEUMANN RECEIVES GRANTS FROM THE CATHOLIC FOUNDATION

We have been blessed to receive two grants in the current Responsive Grants Cycle distributed by The Catholic Foundation this year.

- \$8,000 St. John Neumann Parish's St. Vincent New Beginnings/SVDP Men's Shelter of Delaware County project
- \$5,000 towards St. Philomena Life Group Room

We are proud that the value of St. John Neumann's outreach and vocation fraternity is being acknowledged and supported.

We are grateful to the donors who contribute to The Catholic Foundation that make these grants possible. Everyone can contribute at any time to the funds for our parish or those used for granting. The Catholic Foundation is a non-profit autonomous organization that receives and manages assets to provide funding for the parishes, schools and ministries within our Catholic community.

If you're interested in contributing to existing funds supporting our ministries or exploring opportunities for planned giving, please contact Christy Steffy, MBA, CFRE csteffy@catholic-foundation.org 614-443-8893 x 1100.

...and help make an authentic Catholic education affordable and accessible for all!

It's true! As an Ohio taxpayer, when you make a donation to the Emmaus Road Scholarship Fund, you could receive a dollar-for-dollar credit* against your state income tax liability while creating scholarship dollars for students to attend Our Catholic Schools in the Diocese of Columbus.

Even with the state funds available to families from Ohio's EdChoice Scholarship program, financial need still exists for many. Your gift helps bridge the gap between those scholarships and the cost to educate a child while reducing your Ohio tax burden, making it a win-win for everyone!

- Designate your gift for scholarships at the school(s) of your choosing!
- Nearly \$10 million in scholarships has been raised since December 2021!

*Ohio tax credit is up to \$750 per person, or \$1,500 if married filing jointly. Based on tax rates posted by the Ohio Department of Taxation, an individual with an annual income of \$40,000 has an average state tax liability of \$750. Consult a tax advisor for guidance on your specific situation. The Diocesan Education Corporation (dba Emmaus Road Scholarship Fund) is a certified scholarship granting organization (SGO) in the state of Ohio.

Progressive? At Mass? It's More Likely Than You Think!

By Paul Stokell, Adult Formation Director

“Done properly, progressive solemnity does not become an excuse for minimalism, but a tool for real pastoral excellence.”

If you have questions about how the Mass is celebrated (in this parish or elsewhere), or about any of the other Sacraments, send them to pstokell@stjohnsunbury.org!

In the rhythm of Catholic worship, not all celebrations are created equal. Some days call for incense and chant; others for quiet simplicity. The principle known as *progressive solemnity* helps the Church navigate this spectrum, offering a structured way to scale the solemnity of our celebrations. This principle reveals how tradition and pastoral sensitivity converge in our Church's worship. It helps to guide how the Church modulates the celebration of Mass based on the importance of the day, the season of the year, our community and available resources.

While the concept of varying levels of solemnity has ancient roots—evident in the Middle Ages and the Roman Rite's distinctions between Low, High, and Solemn Masses—it was only in the 20th century that the term “progressive solemnity” gained traction. The principle was first mentioned in Church documents following the Second Vatican Council, such as *Musicam Sacram* (1967), the Instruction on Music in the Liturgy issued by what was then the Sacred Congregation of Rites. *Musicam Sacram* introduced a three-part idea for sung liturgy, dividing musical elements into three *degrees*. The first degree includes acclamations like the *Sanctus* and *Amen*, the second adds parts like the *Gloria* and Responsorial Psalm, and the third encompasses the full Proper and Ordinary of the Mass. This structure allows communities to build toward fuller celebrations as resources and occasions permit.

The principle is further noted in the *General Instruction of the Roman Missal* (GIRM), which emphasizes that the liturgy should reflect the nature of the celebration—whether it be a weekday Mass, a solemnity, or a major feast. The GIRM encourages the use of music, ministers, and ritual elements in proportion to the day's significance. At its heart, this principle is both theological and pastoral. Theologically, it reflects the Church's understanding of time and sanctity: some days in the liturgical calendar are more closely aligned with the mysteries of Christ and so merit greater festivity. Sundays, solemnities, and feasts are privileged moments of encounter with the divine. Pastorally, it acknowledges the diversity of parish life. Not every community has a full choir, a team of servers, or the capacity for elaborate ritual.

Progressive solemnity allows for flexibility without compromising reverence. In practice, this guides decisions about music, ministers, vestments, and gestures. Weekday Masses may be celebrated simply, with spoken parts and minimal music. Feasts and Solemnities invite fuller expression—chant, incense, processions, and expanded ministerial roles. The Easter Vigil exemplifies the fullest solemnity, incorporating all degrees of liturgical richness.

Kim Mandelkow, a onetime director for the Office of Divine Worship in the Archdiocese of Milwaukee, compares this principle to planning meals at home: a peanut butter sandwich differs from Thanksgiving dinner, and so too does a Tuesday Mass differ from Pentecost Sunday. Some of her fellow liturgists argue that it can lead to inconsistency or minimalism, or even a “checklist” that reduces solemnity to a matter of just adding things at will. Others note that the principle can take away solemnity from major feasts due to lack of resources...or just bad planning. Done properly, progressive solemnity does not become an excuse for minimalism, but a tool for real pastoral excellence.

Progressive solemnity offers a lens into the Church's liturgical wisdom. It teaches that worship is not static but *responsive*—attuned to time, community, and the mysteries being celebrated. It invites assemblies, ministers and musicians to discern how best to honor the sacred within their means. It is not about doing less or more, but about doing what is fitting. It is a principle of *ars celebrandi*—the art of celebration—that calls our Church to reverence, creativity, and fidelity.
