## *Can miracles stand up to the test of science?*

- Exclusive film footage of a stigmatist who bleeds from her hands, feet, and head. Are these the wounds of Christ? *What does science have to say?*
- A consecrated Communion Host becomes living flesh and blood. Is it heart tissue? *What does science have to say?*
- A scientist (former atheist), an attorney and a famous TV Journalist witness statue of Jesus weeping real tears and shedding real blood. Are these claims true? *What does science have to say?*

If you have an "I will believe it when I see it" attitude, don't miss this event!

"Put it this way-this is either the biggest hoax of the 20th Century, in which case it would have to be a fairly huge conspiracy, or the most important moment of the century, if not the whole millennium."

## Mommies Matter

Mommies Matter provides an extension of pregnancy care services by journeying with single mothers through their pregnancies, the birth of their child, and beyond. In 2018, Mommies Matter began offering extensive support services alongside the local pregnancy centers in Columbus, Ohio. Our hope is for every single mother to embrace her dignity and value as a woman. We are currently collecting nonperishable food and snack items for Mommies Matter. For more information, visit: <https://mommiesmatter.org/>.

## Current and Upcoming Drives

Current Drives include nonperishable food items and youth socks and washable shoes. Donations will be collected until March 22nd and can be placed in the bins in the Hall of Saints (former Cloister Walkway).

We will collect diapers (all sizes, Pampers & Huggies, no Luvs), plus mini-crib sheets & bassinet sheets for Pregnancy Resources of Delaware County, March 23 and 24. Please place items in the bin in the Hall of Saints that weekend.

## Holy Land Carvings

Nativity Scenes, Crucifixes, Rosaries, Statues, Picture of the Last Supper, and several other religious items will be available the weekend of March 16 & 17.

A photograph of a white statue of the Virgin Mary standing in a stone grotto. The statue is positioned in the center, with its hands clasped in prayer. The grotto is constructed from rough-hewn stones, and the scene is illuminated by warm, golden light, likely from the setting or rising sun. The background shows a blue sky and some dark foliage.
