# Family of Faith

## Registration 2024-2025

Family of Faith is our program of faith formation for families with children. The primary way a child grows in faith is through the witness of the family in the home. We seek to provide quality materials and a framework of support for Sacramental preparation and growth in each member of the family's understanding of what it means to be a disciple of Jesus.

**Registration is now open! Visit the website or scan the QR code for more information and to register. Existing families must register and submit registration fee each year.**

Your support makes a meaningful impact and helps us provide essential resources to those in need. Thank you for your unwavering commitment to our community!
