## An Introduction to Faithful Citizenship

As Catholics and Americans, we are blessed to participate in our nation's political and public life. Our freedoms respect the dignity of individuals and allow us to come together for the common good. Election seasons, therefore, should contain a sense of gratitude and hope. But increasingly, elections bring anxiety and spiritual trials.

To counteract the increasing anger, fear, and heated arguments found in political rhetoric, the U.S. Catholic bishops propose the moral framework of *Forming Consciences for Faithful Citizenship* to help heal these bitter divisions. This document reflects on *precisely how* we, as disciples of the Lord, can promote good and oppose evil through our participation in political life by:

- Forming our consciences to learn and proclaim the principles of human dignity, the common good, solidarity, and subsidiarity.
- Responding to Pope Francis' call to "genuine dialogue and openness to others" by which we may "be frank and open about our beliefs, while continuing to discuss, to seek points of contact, and above all, to work and struggle together" (*Fratelli Tutti*, no. 203).
- Putting on "the mind of Christ" (*1 Cor. 2:16*) through Holy Scripture, prayer, and service to the needy, allowing faith to inform our political participation.
- Making informed decisions with prudence, based on Church teaching and tradition, about candidates and government actions.

The Catholic Church offers a vision of hope, where justice and mercy abound because God is the infinite source of all goodness and love. May God bless our nation with true wisdom, peace, and forgiveness so that we may decide together, through our democratic processes, to uphold the dignity of life and the common good.
