A LETTER FROM FR. DURY

AN UPDATE FROM THE DIOCESAN OFFICE: ANOINTING OF THE SICK

Dear brothers and sisters in Christ,

I wish to share with you an update from the diocesan Office for Divine Worship regarding the administration of the Sacrament of Anointing of the Sick. Let us recall that the sacraments of the Church are outward signs, instituted by Christ in order to give grace. There are seven of them in total and two are categorized as Sacraments of Healing: Anointing of the Sick and Reconciliation.

In the Sacrament of Anointing of the Sick, the priest prays over and anoints the sick person with the Oil of the Sick. We read in Sacred Scripture, "Is any among you sick? Let him call for the priests of the Church and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith will save the sick man, and the Lord will raise him up; and if he has committed sins, he will be forgiven." (James 5:14-15)

The Catechism of the Catholic Church #1532 lists the effects of the Sacrament of Anointing of the Sick as:

- the uniting of the sick person to the Passion of Christ, for his own good and that of the whole Church;
- the strengthening, peace, and courage to endure in a Christian manner the sufferings of illness or old age;
- the forgiveness of sins, if the sick person was not able to obtain it through the Sacrament of Penance;
- the restoration of health, if it is conducive to the salvation of his soul;
- the preparation for passing over to eternal life.

In addition, the Catechism speaks about the proper time for the reception of the Sacrament when it states, "The proper time for receiving this holy anointing has certainly arrived when the believer begins to be in **danger of death because of illness or old age**" (1528).

With all this in mind, the following directive has been put into place in the Diocese of Columbus in conformity with Church teaching and law:

"Canon Law and the Ritual stipulate that the Sacrament of the Anointing of the Sick is for those who, having received the age of reason, are in danger of death, whether as a result of illness or old age (c. 1004). Those who do not meet these criteria, such as infants, young children prior to the age of reason, and those who lack a serious illness that places them in danger of death, are not to receive the Sacrament of Anointing of the Sick. This includes even those who, though undergoing elective surgery, are not seriously ill. The administration of anesthesia does not constitute a grave illness" (Diocesan Directive #2).

I have seen people receive healing and strength through this Sacrament many times throughout my priesthood, and I encourage people to receive it when they are in danger of death. I invite everyone else to seek out strength through the Sacrament of the Eucharist and in intercessory prayer, which also carry with them special graces. Please know of my prayer for all of you who may be suffering due to illness and may God bring you healing and strength.
